U.S. Army Cadet Corps Prepares to Celebrate 100th Anniversary; Millersburg Military Institute Alumni Events Scheduled

HEADQUARTERS, U.S. ARMY CADET CORPS – The U.S. Army Cadet Corps (USAC) is preparing for the “Formation of Cadets,” a variety of events scheduled April 23rd through 25th.

The Formation of Cadets will celebrate the 100th Anniversary of the lineage of USAC, as well as the 113 year heritage of Millersburg Military Institute (MMI). USAC purchased the historic campus of MMI in September 2009, transforming the campus to become the Corps’ National Cadet Training Center (NCTC).

The highlights of the weekend will include the Millersburg Military Ball on Friday, April 24th, which will include dinner, refreshments, and dancing to the U.S. Army Band from Fort Knox; the Parade of Cadets on Saturday, April 25th, which currently has 31 units participating, ranging from marching bands to a mounted Color Guard.

Alumni, faculty and supporter of MMI are invited to attend an Alumni Luncheon on Friday, April 24th, which will focus on former students beginning the formation of an Alumni Association.

Tickets are limited, and can be purchased online at www.goarmycadets.com/100th or by calling 859-484-2100, Extension 16.

USAC is an Army-oriented career exploration program for young men and women age 12-18 who are crime-free, drug-free and doing well in school. Cadets train in hometown units one weekend each month, and attend two or more weeks of military-style training each summer. Millersburg will become the home of USAC’s summer training programs, hosting several hundred Cadets throughout the year. USAC’s programs are designed to be extremely challenging and realistic, providing Cadets with a first-hand view of military life, with no obligation to enlist.
